St Martin's Parish Church

LEADER OF CHILDREN'S MINISTRY JOB DESCRIPTION

To develop our children's ministry within St Martin's Church, by building on our existing provision, sharing the love of God, encouraging discipleship and building relationships with our community.

Key Responsibilities

- Develop our existing varied provision for children and families at St Martin's and also move us on with fresh vision and energy so that we can create a really attractive Church community for children and their families, which encourages new people to join and also helps to keep children engaged as they approach the end of primary school and beyond.
- To help care for our children's spiritual development and also to encourage and equip parents to do the same.
- Coordinate and lead children's activities such as Junior Church, Roundabout parent and toddler group and holiday clubs.
- Strengthen and develop the existing relationship with St Martin's Primary School and explore the provision of after school club(s).
- Build relationships with the families of children attending Church activities.
- Help to plan and deliver Church services which are meaningful, lively, enjoyable and accessible for this age group.
- Take responsibility for communicating and advertising Church activities for children and families in a contemporary and effective way.
- Work collaboratively with the Youth Worker as young people make the transition to the older age group.
- Grow and develop volunteers to assist in the children's programme.
- Working with the Rector, play an active part in the staff team and life of the Church.
- Understand and implement best practice in children's work, including Health & Safety and Safeguarding policies.
- To undertake training courses for professional development and spiritual growth and reflection.

Part time flexible position to include Sunday mornings.
